

# SAFETY DATA SHEET

Creation Date 22-Sep-2009

Revision Date 23-May-2017

**Revision Number** 2

### 1. Identification

**Product Name** Estrone

### AC117840000; AC117840010; AC117840050; AC117840250

Synonyms

Cat No. :

No information available

**Recommended Use** Uses advised against Laboratory chemicals. Not for food, drug, pesticide or biocidal product use

### Details of the supplier of the safety data sheet

#### Company

**Fisher Scientific** One Reagent Lane Fair Lawn, NJ 07410 Tel: (201) 796-7100

Acros Organics One Reagent Lane Fair Lawn, NJ 07410

### **Emergency Telephone Number**

For information US call: 001-800-ACROS-01 / Europe call: +32 14 57 52 11 Emergency Number US:001-201-796-7100 / Europe: +32 14 57 52 99 CHEMTREC Tel. No.US:001-800-424-9300 / Europe:001-703-527-3887

## 2. Hazard(s) identification

#### Classification

This chemical is considered hazardous by the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200)

| Acute oral toxicity                         | Category 4  |
|---|-------------|
| Acute dermal toxicity                       | Category 4  |
| Acute Inhalation Toxicity - Dusts and Mists | Category 4  |
| Respiratory Sensitization                   | Category 1  |
| Skin Sensitization                          | Category 1  |
| Carcinogenicity                             | Category 1A |
| Reproductive Toxicity                       | Category 1B |
| Combustible dust                            | Yes         |
|   |             |

#### Label Elements

# Signal Word

Danger

### **Hazard Statements**

May form combustible dust concentrations in air Harmful if swallowed Harmful in contact with skin Harmful if inhaled May cause an allergic skin reaction May cause allergy or asthma symptoms or breathing difficulties if inhaled May cause cancer May damage fertility or the unborn child

#### Precautionary Statements Prevention

Obtain special instructions before use

Do not handle until all safety precautions have been read and understood Wear protective gloves/protective clothing/eye protection/face protection Use only outdoors or in a well-ventilated area Wash face, hands and any exposed skin thoroughly after handling In case of inadequate ventilation wear respiratory protection

Do not eat, drink or smoke when using this product

Avoid breathing dust/fume/gas/mist/vapors/spray

Contaminated work clothing should not be allowed out of the workplace

### Response

IF exposed or concerned: Get medical attention/advice

### Inhalation

IF INHALED: If breathing is difficult, remove to fresh air and keep at rest in a position comfortable for breathing If experiencing respiratory symptoms: Call a POISON CENTER or doctor/physician

### Skin

IF ON SKIN: Wash with plenty of soap and water

Wash contaminated clothing before reuse

If skin irritation or rash occurs: Get medical advice/attention

### Ingestion

IF SWALLOWED: Call a POISON CENTER or doctor/physician if you feel unwell

### Rinse mouth

Storage

Store locked up

Store in a well-ventilated place. Keep container tightly closed

#### Disposal

Dispose of contents/container to an approved waste disposal plant

### Hazards not otherwise classified (HNOC)

WARNING! This product contains a chemical known in the State of California to cause cancer.

# 3. Composition / information on ingredients

| Component  |  | CAS-No             | Weight % |  |  |  |
|--|--|--------------------|----------|--|--|--|
| Estrone  |  | 53-16-7            | > 99     |  |  |  |
|  |  |                    |          |  |  |  |
|  | 4.   | First-aid measures |          |  |  |  |
| Eye ContactRinse immediately with plenty of water, also under the eyelids, for at least 15 minutes.Obtain medical attention. |  |                    |          |  |  |  |
| Skin Contact   | Wash off immediately with plenty of water for at least 15 minutes. Obtain medical attention. |                    |          |  |  |  |
| Inhalation   | Move to fresh air. If breathing is difficult, give oxygen. Obtain medical attention.         |                    |          |  |  |  |
| Ingestion  | Do not induce vomiting. Obtain medical attention.  |                    |          |  |  |  |
| Most important symptoms/effects May cause allergy or asthma symptoms or breathing difficulties if inhaled. May cause         |  |                    |          |  |  |  |

| Notes to Physician   |  | toms of allergic reaction may in the hands and feet, dizziness, l  |  |  |  |  |  |  |  |

|                      | 8. Exposure controls / personal protection   |
|----------------------|--|
| Exposure Guidelines  | This product does not contain any hazardous materials with occupational exposure limitsestablished by the region specific regulatory bodies. |
| Engineering Measures | Ensure adequate ventilation, especially in confined areas. Ensure that eyewash stations  |

Г

and safety showers are close to the workstation location.

### Personal Protective Equipment

| Eye/face Protection      | Wear appropriate protective eyeglasses or chemical safety goggles as described by OSHA's eye and face protection regulations in 29 CFR 1910.133 or European Standard EN166.   |
|--------------------------|---|
| Skin and body protection | Wear appropriate protective gloves and clothing to prevent skin exposure.   |
| Respiratory Protection   | Follow the OSHA respirator regulations found in 29 CFR 1910.134 or European Standard EN 149. Use a NIOSH/MSHA or European Standard EN 149 approved respirator if exposure limits are exceeded or if irritation or other symptoms are experienced. |
| Hygiene Measures         | Handle in accordance with good industrial hygiene and safety practice.  |

| Physical State                         | Solid                           |
|--|---------------------------------|
| Appearance                             | Off-white                       |
| Odor                                   | Odorless                        |
| Odor Threshold                         | No information available        |
| pH                                     | No information available        |
| Melting Point/Range                    | 258 - 261 °C / 496.4 - 501.8 °F |
| Boiling Point/Range                    | No information available        |
| Flash Point                            | No information available        |
| Evaporation Rate                       | No information available        |
| Flammability (solid,gas)               | No information available        |
| Flammability or explosive limits       |                                 |
| Upper                                  | No data available               |
| Lower                                  | No data available               |
| Vapor Pressure                         | No information available        |
| Vapor Density                          | No information available        |
| Specific Gravity                       | No information available        |
| Solubility                             | No information available        |
| Partition coefficient; n-octanol/water | No data available               |
| Autoignition Temperature               | No information available        |
| Decomposition Temperature              | No information available        |
| Viscosity                              | No information available        |
| Molecular Formula                      | C18 H22 O2                      |
| Molecular Weight                       | 270.36                          |

# 10. Stability and reactivity

| Reactive Hazard                | None known, based on information available    |
|--------------------------------|---|
| Stability                      | Stable under normal conditions.               |
| Conditions to Avoid            | Exposure to light. Incompatible products.     |
| Incompatible Materials         | Strong oxidizing agents                       |
| Hazardous Decomposition Produc | ts Carbon monoxide (CO), Carbon dioxide (CO2) |
| Hazardous Polymerization       | Hazardous polymerization does not occur.      |
| Hazardous Reactions            | None under normal processing.                 |
|                                |   |

11. Toxicological information

### Acute Toxicity

|                                     | No acute toxicity information is available for this product<br>No information available<br>ell as chronic effects from short and long-term exposure |  |  |  |  |  |
|-------------------------------------|---|--|--|--|--|--|
| Irritation No information available |   |  |  |  |  |  |
| Sensitization                       | May cause sensitization by inhalation and skin contact  |  |  |  |  |  |

Carcinogenicity

Contains a known or suspected carcinogen. The table below indicates whether each agency has listed any ingredient as a carcinogen.

| Component                  | CAS-No           | IARC  | NTP   | ACGIH             | OSHA  | Mexico     |  |
|----------------------------|------------------|---|---|-------------------|-------|------------|--|

| Symptoms / effects delayed | s,both acute and | Symptoms of allergic reaction may include rash, itching, swelling, trouble breathing, tingling of the hands and feet, dizziness, lightheadedness, chest pain, muscle pain or flushing |   |                   |       |            |  |
| Endocrine Disrupto         | r Information    | No information available  |   |                   |       |            |  |
| Other Adverse Effe         | cts              | The toxicological properties have not been fully investigated. See actual entry in RTECS for complete information.  |   |                   |       |            |  |

## 12. Ecological information

### Ecotoxicity

Do not empty into drains. Do not flush into surface water or sanitary sewer system.

| Persistence and Degradability        | No information available  |
|--------------------------------------|---------------------------|
| <b>Bioaccumulation/ Accumulation</b> | No information available. |
| Mobility                             | No information available. |

# 13. Disposal considerations

Waste Disposal Methods

Chemical waste generators must determine whether a discarded chemical is classified as a hazardous waste. Chemical waste generators must also consult local, regional, and national hazardous waste regulations to ensure complete and accurate classification.

| 14. Transport information |                            |  |  |  |  |

Legend: X - Listed

E - Indicates a substance that is the subject of a Section 5(e) Consent order under TSCA.

F - Indicates a substance that is the subject of a Section 5(f) Rule under TSCA.

N - Indicates a polymeric substance containing no free-radical initiator in its inventory name but is considered to cover the designated polymer made with any free-radical initiator regardless of the amount used.

P - Indicates a commenced PMN substance

R - Indicates a substance that is the subject of a Section 6 risk management rule under TSCA.

S - Indicates a substance that is identified in a proposed or final Significant New Use Rule

T - Indicates a substance that is the subject of a Section 4 test rule under TSCA.

XU - Indicates a substance exempt from reporting under the Inventory Update Rule, i.e. Partial Updating of the TSCA Inventory Data Base Production and Site Reports (40 CFR 710(B).

Y1 - Indicates an exempt polymer that has a number-average molecular weight of 1,000 or greater.

Y2 - Indicates an exempt polymer that is a polyester and is made only from reactants included in a specified list of low concern reactants that comprises one of the eligibility criteria for the exemption rule.
