

## VWR® Bead Mill

**PROMO CODE 5170**

**Purchase a VWR® Bead Mill and get two FREE Pre-Filled Bead Kits!**

### VWR® Bead Mill Homogenizer

The most powerful bead mill homogenizer available. Supports simultaneous processing of samples in 12 x 0.5 mL, 4 x 1.5 mL, 12 x 2 mL, or 4 x 7 mL samples.

- Quickly homogenize up to 16 samples
- Does not require cool down between runs
- Convenient front loading design
- Two-year warranty

### VWR Pre-Filled Bead Kits

Bead beating tubes pre-filled with an optimized amount of lysing matrix to provide efficient and high yield homogenates.
